

**Mika - Close-up juggling**

**Category : Walk around**

**Published by [Magicircus](#) on 2009/3/20**

Here is a new type of close-up animation for your events. A mixture of magic and mystery.

This performer is half magician, half juggler and will change from any close-up magicians you are used to see.

Also, his crystal balls can be personalized with your own logo!
