

## **Aerial painters - Just paint in the Air...**

**Category : Aerial acts**

**Published by [Magicircus](#) on 2009/4/28**

This aerial company brings an additional artistic touch to launch events, special events and all other types of events.

As they swing in the air, above the ground, these aerial performers will be able to do anything you want on buildings.

On this pictures you see them painting for exemple. You have to discover all they can do!
