

**Trapeze!**

**Category : Aerial acts**

**Published by [Magicircus](#) on 2009/10/28**

A stylish music in the style of Cafe del Mar and a body to body with a trapeze.

This performer presents a fix trapeze act such as a "femme fatale" who almost fight against her trapeze with sensuality.

A mixture of contortion and trapeze.
