

Domino - Clown mime

Category : Clowns

Published by [Magicircus](#) on 2010/3/3

International stage and television performer Donimo has been likened to Buster Keaton, Stan Laurel, Jacques Tati's Mr. Hulot and Grock, yet he is indeed a comic character of our time.

Donimo has an extensive background in physical and movement theatre, and has performed around the world for the past 25 years. He created Donimo by combining the ancient art of clowning with the world of silent screen comedy and the contemporary theatre techniques.
