

Salah - Hip-Hop dancer

Category : Dancers

Published by [Magicircus](#) on 2007/7/24

He is the one who won in France the equivalent of the TV show "America's got talent".

For sure, he is full of talent. He can move his body like nobody else.

He is a mixture of a hip-hop dancer and and a break dancer.

The main difference being that he also makes strange noises while he dances.
