

Dove Magician - Magicien aux oiseaux

Category : Magicians

Published by [Magicircus](#) on 2007/11/27

This magician was hardly ten years old when he discovered his first magic show on TV. This experience deeply impressed the teenager, and from that time he has taken an active interest in this secret art, and more especially in one of its more complex aspects: the dove magic.

Passionate and hard working, the magician won several awards in stage magic competitions. He successfully turned his dream into reality when he became the French vice-champion in 2004 and appeared on TV shows.

Since then, he has performed in cabarets, festivals, European stages and other famous places
