

Crossbow act and knife throwers

Category : Performers

Published by [Magicircus](#) on 2008/1/3

Elena and Jacomo come from old circus families.

Both were born in the circus and both of them since their childhood started acting in different circus acts (trapeze, comedy acts, knives, lasso, ...).

They finally decided to play dangerously by starting a knife throwing act and crossbows act!

They have toured around the world with their act playing on TV, variety shows, circuses and festivals.
