

## **Trampoline Basketball - Dunk**

**Category : Trampoline**

**Published by [Magicircus](#) on 2008/8/14**

Basketball players performing on trampolines.

They perform throughout the world (Europe, America, Asia, Africa) their highflying acrobatic tricks with more than 1000 Shows these past years.

It 's a dynamic slam dunk act realised on jump 'up beats -Techno, Hip Hop, House & Rock 'n 'Roll music- that puts together the accuracy of acrobatics and the brutality of the dunks.
