

Free ladder act - Vertical

Category : Circus acts

Published by [Magicircus](#) on 2008/12/10

It is rare nowadays to see a free ladder act of quality.

In fact, the acrobat uses a ladder on which he goes up and down keeping it straight! Also, once he is on top of it, he will perform acrobatics.

This act works very well with one of our other acts: ["White Angel"](#).
